

# CONCORD®

## GAS FURNACES

**THE FURNACE THAT HAS EVERYTHING YOU NEED,  
RIGHT WHEN YOU NEED IT.**

### Efficiency ratings

Consider the AFUE (Annual Fuel Utilization Efficiency) ratings that measure how efficiently the fuel is used by the furnace. Higher numbers mean greater efficiency and lower gas bills for you.

### Immediate savings

The blower in a gas furnace operates all year long to circulate hot air or cold air throughout your home. Compared to a fixed-speed (PSC) blower motor, a constant torque or variable-speed blower motor will provide everyday savings on your electric bill.

**When you consider a Concord® gas furnace, quality and value are a given. You're getting peace of mind with great features and a smart design—best of all, you get it right now.**

### 96G2V

#### Perfectly controlled heat and humidity

- Variable-speed motor keeps temperature and humidity levels perfectly controlled
- Two-stage operation adjusts heat output to optimize comfort and efficiency
- Gradual motor acceleration and deceleration for quieter operation

### 80G1UH

#### Stay warm and save money

- Constant torque motor produces consistent airflow and even temperatures
- Saves 30% in electrical efficiency compared to PSC motor

**WHATEVER YOUR NEEDS, A CONCORD® FURNACE IS THE RIGHT CHOICE, RIGHT NOW.**

# TAILORED TO YOUR CUSTOMER'S NEEDS

## GOOD

Up to 17 SEER

- **4AC17L model condenser:**
  - Heavy-duty, single-stage.
- **80G1UH model gas furnace:**
  - Constant torque furnace with high-efficiency blower drive.
- **BCE5C model electric air handler:**
  - Powerful single-stage motor.

## BETTER

Up to 17.5 SEER

- **4AC17L model condenser:**
  - Heavy-duty, single-stage.
- **96G2UH model gas furnace:**
  - Variable speed motor starts up slowly and quietly accelerates to keep temperatures controlled.
- **BCE5E model electric air handler:**
  - Constant-torque blower motor produces even temperatures.

## BEST

Up to 20 SEER

- **4HP18V model heat pump:**
  - Variable speed inverter technology with heavy-duty compressor sound blanket, and many other features.
- **Choice of constant torque or variable speed gas furnace.**
- **Choice of constant torque or variable speed electric air handler.**

\*Full 10-Year Warranty on parts and compressor when paired with Allied coil and registered through Allied Air
